Reviews

A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).

FINDING FAMILY: MY SEARCH FOR ROOTS AND THE SECRETS IN MY DNA

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 260 pages. Dimensions: 9.0in. x 5.9in. x 0.8in. Finding Family: My Search for Roots and the Secrets in My DNA is Richard Hills true and intensely personal story of how he pieced together the long-kept secret of his own origins. This highly suspenseful book is a page-turning saga of personal detective work that will appeal to anyone who loves a good mystery. But this isnt fiction. Its an engrossing account of an adoptee trying to reclaim the biological family denied him by sealed birth records. This fascinating quest, including the authors landmark use of DNA testing, takes readers on an exhilarating roller-coaster ride and concludes with a twist that rivals anything Hollywood has to offer. Easy to read and hard to put down, Finding Family is the first book to chronicle the paradigm-shifting application of genetic genealogy to adoption search. Whether youre searching for your own roots or just craving a darn good read, Finding Family is a book you will likely devour in one sitting. . . and wholeheartedly recommend to others. In the vein of a classic mystery, Hill gathers the seemingly scant evidence surrounding the circumstances of his birth. At his adoptive fathers deathbed, he discovers shocking information that leads him to methodically chase down leads, which sometimes yield poignant glimpses of his birth parents, sometimes garner resistance, and as frequently flat-line in disappointment. As his resolve shores up, the author also avails of new friends, genealogists, the Internet, and the latest DNA tests in the new field of genetic genealogy. As he closes in on the truth of his ancestry, he is able to construct a living, breathing portrait of the young woman who was faced with the decision to forsake her...
