Reviews

A top quality publication along with the typeface utilized was intriguing to read through. It is amongst the most awesome pdf i have got read through. Its been developed in an remarkably straightforward way and it is only right after i finished reading this publication in which actually altered me, modify the way i believe.

GEORGE GERSHWIN

Phaidon Press Ltd. Paperback. Book Condition: new. BRAND NEW, George Gershwin, Rodney Greenberg, George Gershwin (1898-1937), during his short but prolific career, produced a varied body of work that combined symphonic composition with the musical styles popular in his era, including jazz and Negro spirituals. Known primarily for his jazz-tinged orchestral work Rhapsody in Blue, his folk opera Porgy and Bess, and his many wonderful songs featured in the films of Fred Astaire and Ginger Rogers, Gershwin and his lyricist brother Ira were key figures in the songwriting circles of pre-war America. Rodney Greenberg's lively biography paints a vivid picture of this exciting era in the development of American music, and places Gershwin's life and career within the social and cultural contexts in which he flourished.
