If Melanie Travis was planning on a quiet family summer with her Standard Poodle Faith, son Davey, and new husband Sam, her plans are about to turn upside down. An unexpected competition, a trip to New York, and oh yes, a murder later, Melanie finds herself in a choke collar of deceit and corruption. When she receives the letter from the Champions Dog Food Company informing her that Faith has been selected as a finalist in the All Dogs Are Champions contest, Melanie is mystified until she discovers it was Davey who entered Faith in the contest. At the reception where they meet the other finalists, Melanie immediately picks up the scent that this pack is a bone s throw away from a major dog fight. And when Larry Kim, one of the finalists, dies in a suspicious fall, something smells rotten to Melanie. With the final decision for a winner drawing near and the competition getting downright ferocious, Melanie and Faith will have to watch their backs because Melanie s digging may well unearth a barking-mad killer who ll do anything to win.
