iUniverse. Paperback. Book Condition: New. Paperback. 292 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Young Americans take to the road in droves during the volatile 1960s. Some flee a military draft that demands they kill or be killed in a war halfway around the world. Others search for excitement, a temporary reprieve from the prison of work, school, marriage or family. And one, the Drifter, has a particularly compelling reason to hitchhike the countrys highways. He carries a dark secret that, if revealed, could cost his freedom. Or his life. Now, its late 1965. The Drifter, camped in central Idaho, stumbles across a womans body. Though his first instinct is self-preservation, he decides to give the corpse a decent burial. Bad idea. Discovered by a search party and wounded by a bullet, the Drifter is chased through Idahos rugged wilderness. He runs for his life, headlong into a baffling mystery involving UFOs and murder. It will take all the Drifters cunning - and lots of luck - to survive, as Kissing Asphalt pits him in a harrowing life or death struggle against Nature, against his fellow man, and against himself. The first in an exciting new series. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
