Reviews

I actually started out reading this article ebook. This is for those who statte that there had not been a worth reading. Its been developed in an extremely easy way and it is just after i finished reading this book in which in fact modified me, change the way i really believe.

(Antonetta Ritchie IV)

THE OBAMA SYNDROME: SURRENDER AT HOME, WAR ABROAD (2ND REVISED EDITION)

Verso Books. Paperback. Book Condition: new. BRAND NEW, The Obama Syndrome: Surrender at Home, War Abroad (2nd Revised edition), Tariq Ali, Written in early 2010 and initially published in September, The Obama Syndrome predicted the Obama administration's historic midterm defeat. But unlike myriad commentators who have since pinned responsibility for that Democratic Party collapse on the "reform" president's lack of firm resolve, Ali's critique located the problem in Obama's notion of reform itself. Barack Obama campaigned for the presidency by promising to escalate the war in Afghanistan, and his economic team brought the architects of the financial crisis into the White House. Small wonder then that the "War on Terror" - torture in Bagram, occupation in Iraq, appeasement in Israel, and escalation in Pakistan - continues. And that Wall Street and the country's biggest corporations have all profited at the expense of America's working class and poor. Now a thoroughly updated paperback continues the story through the midterms, including a trenchant analysis of the Tea Party, and Obama's decision to continue with his predecessor's tax cuts for the rich. Ali asks whether - in the absence of a progressive upheaval from below - US politics is permanently mired in moderate Republicanism. Already called "a comprehensive account" of the problems with Obama (The Huffington Post), this new edition is sure to provide a more "powerful boost to Obama dissenters on the left" (Pittsburgh Post-Gazette).
