

The Open Court, Vol. 44 (Classic Reprint) (Paperback)

Filesize: 4.44 MB

Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dr. Janis Reilly)

THE OPEN COURT, VOL. 44 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Open Court, Vol. 44 To vindicate logic as the method of metaphysics and to show its applicability to current problems of science and nature, is the purpose of this volume. This involves a demonstration of the priority of logic to experience and a discussion of the nature of reason. Hypothetical judgments, non-syllogistic arguments, the paradoxes of Russell, the relation of the form and matter of inference, the nature of postulational systems, the problem of truth, and the theory of universals are among the logical topics considered. Nature is held to be interpreted by science in the light of a set of logical assumptions. In this connection, probability is shown to be the basis of induction, and atomism an indispensable methodological presupposition of science. It is urged that measurement is an operation of rational comparison; while a logical interpretation is also offered of the appearance of seemingly irreversible statistical tendencies and laws in nature. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
