Reviews

This book is definitely not effortless to begin on reading through but extremely fun to read. Sure, it can be enjoy, continue to an amazing and interesting literature. I realized this book from my dad and i recommended this pdf to understand.

(Ezequiel Schuster)

TRAVELS WITH FERG

Robertson Publishing. Paperback. Book Condition: New. Paperback. 378 pages. Dimensions: 9.0in. x 5.9in. x 0.9in. Adventures Around the World In the collections of stories called Travels with Ferg, Stephenie Swift Ferguson describes a few of the most memorable adventure trips she and her husband, Professor William E. Ferguson, made during more than six decades of marriage. Journals, field notes, letters to family members, and photography documented these stories. Their thousands of photos have been published in specialized college science textbooks, secondary and elementary grade science books. Hundreds of their scientific pictures have been printed in Encyclopaedia Britannica, science magazines, coffee table books and calendars. In retirement, Stephenie (Stevie) has greatly enjoyed telling and writing stories of their adventures around the world. Note from the author: As a child growing up in Berkeley, California, I never dreamt of overseas travel, but of course I had not yet met Ferg. On June 21, 1947, one and a half years after meeting on the ski slopes of the Sierra, we were married. In June, 1949, we embarked on the USS Marine Tiger sailing to England: the first of many adventurous overseas travels on seven continents. Stevie This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
