Does it not matter to you that majority of the people you know work hard, hard, hard everyday with little or nothing to show for their hard work? Why do only a few numbers of people succeed, while majority others fail? The Success Factor will teach you the simple proven principles you can implement everyday to make significant improvement in every area of your life. Every Chapter in this book comes with specific tools you can use to take action immediately to become more effective and achieve the results you seek, if you apply them. This book is easy to read, and provides the fundamental success principles and tools that will help you to take the most important actions that will take you from where you are right now, to where you want to be ultimately. The Success Factor will help you to create the results you want in any areas of life. For example, you will: 1. Gain crystal clarity about your choices and direction, 2. Set and achieve most important goals in your life, career, finance, relationship, or personal growth, 3. Develop a winning mindset, 4. Take 100 responsibility for what you want, 5. Overcome psychological barriers - fear, doubt limiting beliefs, With The Success Factor principles, you will be able to maximize your potentials, and live happy and fulfilled life, only if you apply them.
