Brand New Book ***** Print on Demand *****.The Boy Called Riley, is a short eight chapter Christian fiction book that was mainly inspired by the 2001 film Jet Boy, and by real life events involving children who were and who are, being used each and every day by people who should care for them and the person they are inside, who use their need for love and acceptance as a tool to get them to do what is morally and sexually wrong by God s standards. This story is about a young boy known as Riley, who was left to his step mother Hanna at a early age, who started selling him and his step brother Steve out to people for money as her young male prostitutes, as her main way of making a living for herself and her son Steve. Now at the age of thirteen, Riley is filled with grief and sadness over the life he vaguely remembered living before, and the life he was now forced to live under his step mother s rule, and one day says a wholehearted prayer to God about his situation, which became the starting point that would change his life forever.
