STUCK! STRATEGIES: WHAT TO DO WHEN STUDENTS GET STUCK

AAPC - Autism Asperger Publishing Co., 2014. Softcover. Book Condition: New. Do your students ever get STUCK? Are you searching for ways to get and keep your students engaged in teaching activities? Stuck! Strategies is a treasure trove of proven methods for supporting students with disabilities such as autism spectrum disorders, communication disorders, developmental delays, Down syndrome, and inflexible temperament. The authors' descriptions of each of 15 strategies include instructions for implementation under the headings: Basics, Materials, Examples of the use of this strategy to support students away from stuck behavior and References. In addition, they provide illustrations for easier application in school, home, and community environments. This book is a must-have for any adult who works with students who get STUCK! "Stuck! Strategies is an absolutely wonderful resource for parents and educators who support inflexible thinkers. I love the simplicity of how the book is structured and how well it connects difficult and disturbing behavior to the student's underlying support needs. Janice Carroll and Terry Izraelevitz have created a truly valuable resource for helping teachers, paraprofessionals, and others to better understand the nature and consequences of a social cognitive disorder, while providing them with a bag of tricks for positive intervention."?Kari Dunn Buron, autism education specialist, and author of The Incredible 5-Point Scale and When My Worries Get Too Big! "In this book, Ms. Carroll and Ms. Izraelevitz share their successes with teachers and parents of children with autism and related disabilities in an easy-to-duplicate format of simple instructions and illustrations. In using these strategies, teachers can provide appropriate activities and transitional tools in pre-K through high school to break a cycle of negativity, frustration, and uncertainty."?Paula Dean, MA, assistant superintendent, principal, curriculum specialist (retired), Los Alamos Public Schools, Los Alamos, NM "Working from the important premise that...
