

Understanding Interdisciplinary Challenges and Opportunities in Higher Education

By Karri A. Holley

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Understanding Interdisciplinary Challenges and Opportunities in Higher Education, Karri A. Holley, Interdisciplinary teaching, learning, and research are often heralded as necessary responses to the many pressures facing contemporary higher education. Defined as the integration of knowledge from two or more disciplines, interdisciplinary work requires a change in the boundaries and norms that have long defined the academy. Through examples from a range of disciplines and institutional types, this volume considers how successful interdisciplinary engagement necessitates a focus on the structure and rewards of academic behavior. This change is an intensely social process, involving dialogue and interaction among diverse ideas, individuals, learning environments, and bodies of knowledge. It is this diversity that enables the rich potential of interdisciplinary engagement but also presents the greatest challenges for institutions. This volume considers the obstacles and opportunities inherent in interdisciplinary initiatives. Academic administrators, faculty, and graduate students interested in understanding the disciplinary norms of higher education and cultivating interdisciplinary engagement will benefit from this volume. The author provides theoretical perspectives and practical applications for advancing interdisciplinarity in the classroom, the research laboratory, across the university campus, and outside institutional boundaries. Such endeavors entail...

Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.
