Ransom Publishing. Paperback. Book Condition: new. BRAND NEW, Witness (2nd Revised edition), Anne Cassidy, Witness tells the story of Todd, who sees his ex-teacher Jason Ripley attacking a mild-mannered shopkeeper he knows from his paper round. Shocked by what he has witnessed, Todd informs the police of the brutal attack Mr Wilson has faced. But Todd has no idea just how this will change his life. It becomes clear that Jason Ripley has acquaintances who are keen to seek revenge on Todd for his actions. And they won't rest until they get it, no matter who gets in their way. Witness is part of the Sharp Shades 2.0 series. These books offer the same type of fast-paced short stories (just 64pp each) found in the Shades 2.0 series. The Sharp Shades stories include simpler language, a larger font and are illustrated throughout. They are perfect for older readers who may find longer books too daunting, but who still want the excitement of a great story told with pace and style. Witness is ideal for reluctant readers aged 12+ with a reading age of 8 - 9.
