

Stars, Stripes, and Italian Tricolor: The United States and Italy, 1946-1989 (Hardback)

By Leo J. Wollemborg

ABC-CLIO, United States, 1990. Hardback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.This groundbreaking review and analysis of relations between the United States and Italy since the early postwar years is distinguished by the author's use of a unique combination of sources: hundreds of reports and analyses published by the author in U.S. and Italian dailies and magazines as events unfolded; his frequent interviews with ranking politicians and other leading figures in the two countries; U.S. and Italian government documents to which he has been the first outsider to gain access; and reports and comments by other journalists and students of Italian affairs and Italo-American relations. The result is the most comprehensive and balanced study of relations between the two countries published to date. Demonstrating that the U.S. media has often conveyed a view of Italian politics that does not correspond with reality, the author argues that the roots of Italian democracy have proved to be less fragile than most observers thought. Students of European politics will find Wollemborg's analysis a welcome counterweight to those who have frequently forecast impending Communist takeovers, military coups, political anarchy, and economic...

Reviews

Completely essential study ebook. This is for all those who statted there was not a well worth reading. I realized this book from my dad and i recommended this publication to find out.

-- Jarrell Kovacek

It is one of my personal favorite books. It really is filled with wisdom and knowledge. Your daily life period will likely be enhanced the instant you start looking at this pdf.
