Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *The Business Hen (a New Brood)* During the past ten years *The Rural New Yorker* has given much space to poultry matters. It was necessary to do this in order to answer the thousands of questions asked by readers. These questions were from practical men and women - not fanciers - who asked how to obtain a good hen, and how to feed and care for her in a business-like way. In order to answer these questions we found it necessary to scour the country from one end to the other and to obtain help from hundreds of practical poultry keepers. We find that from year to year many of these questions are repeated - by new readers or by those who have mislaid their papers. This has led us to prepare this book, for it is evident that the information will be far more accessible in book form. These thousands of questions were grouped and analyzed. We then went to the most practical poultry keepers for information. The vast amount of information thus obtained has been sorted, cut down and rewritten to fit into this book. There are of course many details which cannot be crowded into these pages. New conditions are constantly arising, and the most expert poultry keepers are often puzzled by things which they cannot understand. We must all know also that many of the most important things can only be taught by experience. Any reader of *The R. N. Y.* is welcome to ask for further information. We can obtain it for him, and in this way supply all the details which he may need. We have avoided all reference...
