Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Princess Daphne: A Novel In lands which the stupidity of civilization regards as barbarous, there are occult powers of which contemporary science is absolutely ignorant. The materialism of Enrope has not the faintest conception of the spirituality which the Hindus have reached.their mortal envelope is but a chrysalis which the immortal butterfly, the sou, can abandon or resume at will. I have attempted to undo with magnetism the bands that join mind and matter. In experiments that were certainly prodigious, but which failed to satisfy me, I surpassed Mesmer, Deslon, Maxwell, Puysegur, and Deleuze: catalepsy, somnambulism, clairvoyance, soul-projection, in fact, air the effects that are incomprehensible to the masses, though simple enough to me, I have produced at will. I have fasted, I have prayed, I have meditated so long, I have dominated the flesh so rigorously, that I have been able to loose the terrestrial bonds. Vishnu, the god of the tenfold incarnations, has revealed to me the mysterious syllable that guides the soul in its avatars. I am not an erudite in the ordinary acceptation of the word; but on the other hand, in studying certain subjects disdained by science, I have mastered some unemployed occult forces, and I produce effects which appear miraculous, though they are perfectly natural.By watching for it I have sometimes surprised the soul.Armed with the force of my will, that electricity of the intellect, I vivify or I annihilate. Nothing is opaque to my eyes; my gaze pierces everything.We Europeans are too superficial, too matter of fact, too much in love with our clay prison, to open windows on the eternal and infinite.
