Laurence King. 1 Paperback(s), 2016. soft. Book Condition: New. Is this really the tallest coloring book in the world? As it unfolds to a full 15 feet from the bottom to the top, it may well be; in any case it's certainly among the most entertaining, as Sarah Yoon's witty and incredibly detailed ink drawing takes us on a fanciful trip to the moon on a Babel-like tower. Level by level, we climb past castles, space ports, shark tanks, an elephant hotel, oversized gumball machines, a giant squid, treehouse huts, an airborne circus, and even fire-breathing dragons, ending just inches from a cratered orb full of bug-eyed moon men. The heavy paper will hold up to wet and dry media, and when finished you'll have a work of art perfect for a stairwell. 14.
