## Government Financing (Classic Reprint) (Paperback)

By Irwin George Jennings

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Government Financing Government finance in war times is not the same as in peace times. The demands of the greatest struggle into which our country has ever entered is calling for financial contributions from every self-respecting American. These contributions may be voluntary gifts or may take the form either of investments in government securities or of tax payments. Very many men who have never felt the burden of taxation, are now required to obtain information on its principles if they are to meet the new obligation intelligently. It is our belief that we should not only have responsible government, but a responsible citizenship, that our government should first be intelligent in its financial policy, courageous in carrying it out, willing to acquaint the tax payer with the reasons for the demands upon him and confident of his ready and patriotic response. We shall endeavor herein by the method of answering the questions which are most likely to occur to the ordinary mind upon the subject of war finance and taxation, to fix such guides as...
